How to Use this Price List

We've tried to make our options as clear as possible for you. With the exception of our basic services fee, you can pick and choose any items to put together a funeral that's right for you. Our services are divided into 7 main categories:

Primary Services

Care and Preparation of the Body

Facilities, Staff, and Equipment

Automotive Equipment

Burial Merchandise

Packaged Services

Miscellaneous Merchandise and Other Services

If you want to put together your own funeral, start with Primary Services (our basic services fee is mandatory, but everything else is your choice), then add what you like from Care and Preparation of the Body, Facilities, Staff and Equipment, Automotive Equipment, Burial Merchandise or Miscellaneous Merchandise and Service

If you have any questions, just ask. We'll do our best to accommodate.

Primary Services

Basic Services of the Funeral Home **\$1,395**

Our services include: conducting the arrangement conference; planning the funeral; consulting with family and/or clergy; shelter and care of the body; preparing and filing necessary notices; obtaining necessary authorizations and permits; and coordinating with the cemetery or other third parties as necessary.

This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Transfer of the body to the Funeral Home (within 25 mile radius) **\$300** *Beyond this we charge \$4 per mile.*

Care and Preparation of the Body

Embalming **\$600**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
